Poppyfield Primary Academy

FEBRUARY NEWSLETTER

NUT FREE SCHOOL

Can I please remind all parents that we are a completely nut free school. No child should have any nuts or chocolate hazelnut spread in their lunch boxes or as their snack.

HEAD LICE

Can you please make sure that children are checked regularly for head lice and then treated as soon as they are spotted. Hair needs to be combed with a lice comb daily for up to 2 weeks to ensure all eggs are removed. Solution only kills live lice not eggs.

SCHOOL GATES

Can you please make sure that when leaving the school car park you use the out gate and not the in gate, regardless of the time of day. We have had a few near misses this term.

New Challenge Packs begin

Children have been on many trips and experiences ready to embark on their new challenge packs. A huge thank you with your support with these. They are so important to the children and really do help to begin their challenge packs in an exciting and positive way!

Year 1 visited Dudley Zoo

Year 2 discovered all about WWII at Cannock Chase Museum

Year 3 ventured into the caverns of Dudley to learn about life on board a canal barge.

Year 4 enjoyed a drumming and Brazilian music work shop

Cannock Chase High School

Year 4 have joined a number of other local primary schools in a Winter sports event at Cannock Chaser High. The children were so well behaved and joined in so well that the staff invited them back to come and watch the schools performance of Matilda!

Both events were amazing and the Year 4 pupils really enjoyed themselves and their experience at high school.
